

Polish Academic National License Training:

As part of the Accelrys Polish national License that is sponsored by the ICM and as part of our on-going efforts to support the Polish Molecular Modeling community we are offering to all Polish academics a series of **FREE WEB-BASED TRAINING** sessions in molecular modeling with **Materials Studio** <http://accelrys.com/products/materials-studio/index.html> and with **Discovery Studio** <http://accelrys.com/products/discovery-studio/> - STARTING 10th September!

Venue:

The courses will be web-based. With the link that you will receive with your registration you will be able to view the instructor's screen in real-time, hear the instructor and talk to the instructor - all from the comfort of your computer!

Cost/Registration:

Free to all researchers in Poland **BUT** you must register by sending an e-mail to me (Karen.Luckman@accelrys.com) with the following:

1. Your name
2. E-mail address
3. List of courses you would like to attend

Start Time:

Each session will start at 14:00 Poland time, **apart from Course DS2 Docking which starts at 10:00.**

Schedule:

Discovery Studio Training

Course #	Course	Date	Start Time	Duration (hours)	Agenda
DS1	QSAR	12 th Sept	14:00	3	DS1 Agenda
DS2	Docking - Ligand Fit, LibDock and Cdocker	19 th Sept	10:00	3	DS2 Agenda
DS3	Simulations	26 th Sept	14:00	3	DS3 Agenda

Materials Studio Training

Course #	Course	Date	Start Time	Duration (hours)	Agenda
MS1	Introduction to Materials Studio	10 th Sept	14:00	3	MS1 Agenda

MS2	Discover and Forcite	17 th Sept	14:00	3	MS2 Agenda
MS3	Scripting in Materials Studio	24 th Sept	14:00	3	MS3 Agenda

Use of Software:

If you would like access to Materials Studio or Discovery Studio for the training or if you would like access to or more information about the Polish National Academic license please send me an email request.

I am pleased that we can support the Accelrys user base in Poland and thank ICM for its continued support.

Thank you

Karen Luckman
